

The North Vernon Education & Training Center (NVETC) was a vision of Jennings County and the City of North Vernon. It is with this vision that the City, County and Redevelopment Commission purchased the 33,000 sq. ft facility in 2005 and after extensive renovations, opened in September of 2006.

The Jennings County Economic Development Commission, the City of North Vernon, collaborated to provide quality education and training to the community, residents of Jennings County and beyond.

The North Vernon Education & Training Center is able to offer:

- Conferencing and meeting space (up to 120 seated)
- Computer integrated classrooms
- State of the art classrooms
- Office space
- Executive conferencing space
- Wet lab facility
- Computer labs – free to the public
- Advanced Manufacturing Lab
- Resume and application assistance for local industries

The North Vernon Education & Training Center is home to the following companies:

- Jennings County School Corporation
- WorkOne
- Indiana Economic Development Corporation
- Developmental Services, Inc.
